

## ✓ Sample Paper – Unit 1

### 1. Short Answers

1. Why did Margie not like her school?

✓ She hated school because the mechanical teacher constantly gave her tests and it was boring.

2. How was the school in the past different from Margie's school?

✓ Children used to go to school together, learn as a group, and play in the schoolyard.

### 2. Grammar – Change into indirect speech

Original: "Bring my tea into the drawing-room," he said.

✓ He asked his wife to bring his tea into the drawing-room.

### 3. Writing

Write 100 words as Margie's diary entry after discovering the paper book.

✓ "Today Tommy found an old book! I never knew books were once printed on paper. He showed me the pages. They don't move or change. They are yellow and foldable. I cannot imagine how children read like that. I feel curious but also uncomfortable. How did they go to school together? How did they talk to each other? I always wanted school to be over quickly, but now it sounds fun..."
